

County	Title	Category	School
Antrim	An investigation into finding an alternative to petroleum based inks to prevent food contamination from packaging.	Biological and Ecological	Ballyclare High School
Antrim	Music Through Aluminium Foil In A Magnetic Field	Chemical, Physical & Mathematical Sciences	Ballyclare High School
Antrim	Halo	Technology	Grosvenor Gs
Antrim	Investigation into the effects of organic fertiliser compared to a commercial brand	Biological and Ecological	Methodist College
Antrim	INVESTIGATING THE EXOTHERMIC NATURE OF WORMS IN VARYING TEMPERATURE OF SOIL	Biological and Ecological	Rathmore Gs
Antrim	CBC - Collar Bone Cast	Biological and Ecological	St Killian's College
Antrim	Snail slime and muscle power-the secret of their success	Biological and Ecological	Wellington College
Antrim	Changes in diversity and population size of woodlice species following disturbance	Biological and Ecological	Wellington College
Antrim	All washed up.	Biological and Ecological	Wellington College
Antrim	Remembering what we forget	Social and Behavioural Sciences	Wellington College
Armagh	Tipping Water Trough	Technology	St Patrick's High School
Carlow	Fiosrúchán a dhéanamh ar na cúiseanna soisialta agus siceolaíochta go mbionn daoine ag iarraidh dath greine a fháil.	Social and Behavioural Sciences	Gaelcholáiste Cheatharlach
Carlow	'The comparative analysis of raw versus pasteurised milk and the potential use of natural preservatives in milk to mitigate the effects of poverty in rural Africa'	Biological and Ecological	St Mary's Academy CBS
Carlow	Exam results with flying colours!	Social and Behavioural Sciences	St. Leo's College
Carlow	The development of a phone application and other methods to stop the deterioration of literacy skills in Irish youth.	Technology	St. Leo's College
Cavan	Hydro-Harmonics: Is there a mathematical solution?	Chemical, Physical & Mathematical Sciences	Breifne College
Cavan	Why we hear our own voice differently?	Chemical, Physical & Mathematical Sciences	Breifne College
Cavan	Your Central Wealth is Your Mental Health	Social and Behavioural Sciences	Loreto College - Cavan
Cavan	To investigate the factors which contribute to facebook bullying	Social and Behavioural Sciences	St Clare's College
Clare	Tionchar na hAclaíochta ar Dhaltai	Social and Behavioural Sciences	Ennis Community College
Clare	The silent killer - carbon monoxide - how aware are we?	Social and Behavioural Sciences	Kilrush Community School
Clare	Does the Exposure of a Shore Affect the Shells of Nucella lapillus	Biological and Ecological	Mary Immaculate Secondary School - Lisdoonvarna
Clare	The covering behaviour of Paracentrotus lividus	Biological and Ecological	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Japanese Knotweed - Is it spreading in North Clare?	Biological and Ecological	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Profile of Lobsters caught in North Clare	Biological and Ecological	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Do voting patterns change during an economic downturn?	Social and Behavioural Sciences	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Is that New Edition Worth it?	Social and Behavioural Sciences	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Should the Junior Certificate be changed - Young peoples perspective.	Social and Behavioural Sciences	Mary Immaculate Secondary School - Lisdoonvarna
Clare	The Mapping of Defibrillators in Co. Clare	Social and Behavioural Sciences	Mary Immaculate Secondary School - Lisdoonvarna
Clare	Using codes, how hard can it be?	Chemical, Physical & Mathematical Sciences	Meanscoil Na Mbráithre
Clare	How many Triangles do you see?	Chemical, Physical & Mathematical Sciences	Meanscoil Na Mbráithre
Clare	How much sugar are teenagers really consuming?	Social and Behavioural Sciences	Meanscoil Na Mbráithre
Clare	A Study of the Role of the Height of the Bridge of a Fiddle on the Quality of the Notes Played on the Traditional Fiddle	Chemical, Physical & Mathematical Sciences	Scariff Community College
Clare	An investigation into the effectiveness of a natural anti perspirant versus a synthetic anti perspirant	Biological and Ecological	Scoil Mhuire
Clare	The dark side of social media and privacy	Social and Behavioural Sciences	St John Bosco Community College
Clare	Does a full moon really trigger strange behaviour?	Social and Behavioural Sciences	St. Joseph's Secondary School
Cork	Concussions: a no brainer?	Social and Behavioural Sciences	Ardscoll Uí Urmoltaigh
Cork	Developing a System to Regulate Time Spent Playing Video Games	Technology	Ardscoll Uí Urmoltaigh
Cork	An Introduction of Game Theory with Practical Applications	Chemical, Physical & Mathematical Sciences	Ballincollig Community School
Cork	Is the pattern of black and white inherited in a Holstein Friesian calf? What is the ratio of black to white ?	Biological and Ecological	Bandon Grammar School
Cork	To Investigate if inverted sugar is better utilised than uninverted sugar	Biological and Ecological	Bandon Grammar School
Cork	Are your teeth tough enough ?	Chemical, Physical & Mathematical Sciences	Bandon Grammar School
Cork	To use a hall probe to measure the oscillations of a spring system.	Chemical, Physical & Mathematical Sciences	Bandon Grammar School
Cork	Does the Media Affect Childrens' Perceptions of the Family Unit	Social and Behavioural Sciences	Bandon Grammar School
Cork	What puts the power in "power balance" wrist bands?	Social and Behavioural Sciences	Carrigaline Community School
Cork	Cancer virotherapy simulator	Technology	Carrigaline Community School
Cork	The varied opinions on self testing for genetic defects as the future for health management	Social and Behavioural Sciences	Christ King Girls Sec. School
Cork	How does drink affect the behaviour and health of young people	Social and Behavioural Sciences	Christ King Girls Sec. School
Cork	The various different opinions on medical myths, lies and half truths	Social and Behavioural Sciences	Christ King Girls Sec. School
Cork	Solar powered water filter for the third world	Technology	Christ King Girls Sec. School
Cork	A study on the affects of naturally occurring fluoride on West Corks water supply.	Biological and Ecological	Clonakilty Community College
Cork	The Design and Development of a Modified Atmosphere Fruit Bowl	Biological and Ecological	Clonakilty Community College
Cork	Manufacture of a nutritional beverage with enhanced antioxidants derived from seaweed extract	Biological and Ecological	Clonakilty Community College
Cork	The Design and Development of Cooling Sports Vest	Chemical, Physical & Mathematical Sciences	Clonakilty Community College
Cork	Road Safety Ear Gaurds For Cyclists	Technology	Clonakilty Community College
Cork	Accuracy in Numbers	Chemical, Physical & Mathematical Sciences	Coláiste an Chraoibhin

Cork	Do Mind Maps Work?	Social and Behavioural Sciences	Colaiste an Chraoibhin
Cork	To Investigate the Effect of the Dawn Phenomenon on Type 1 Insulin Dependent Diabetics.	Biological and Ecological	Colaiste Choilm
Cork	What happens when you swallow your chewing gum.	Biological and Ecological	Colaiste Choilm
Cork	To investigate the action of thigmotropism and the effect of plant growth regulators on this action.	Biological and Ecological	Colaiste Choilm
Cork	To investigate the level of Bacteria on professional make-up brushes and testers in leading department stores and pharmacies	Biological and Ecological	Colaiste Choilm
Cork	Meares-Irlen Syndrome	Biological and Ecological	Colaiste Choilm
Cork	Investigation on whether water temperature and wind speed effects water sprouts	Chemical, Physical & Mathematical Sciences	Colaiste Choilm
Cork	"Ban The Books!" Are iPads The Way Forward For Irish Schools?	Social and Behavioural Sciences	Colaiste Choilm
Cork	Biophilia Bearing On Academic Performance	Social and Behavioural Sciences	Colaiste Choilm
Cork	Determining the plausibility of using biorhythm charts and algebraic formulas to predict peak performance in athletes	Social and Behavioural Sciences	Colaiste Choilm
Cork	How alcohol affects teens in sport	Social and Behavioural Sciences	Colaiste Choilm
Cork	Solar Treatment of Milk	Technology	Colaiste Choilm
Cork	Self Supporting, Folded and Temporary Fabric Structures	Technology	Colaiste Choilm
Cork	The Effects of Hurling Helmets on Vision	Technology	Colaiste Choilm
Cork	An Ecological Investigation Into Falling River Fish Stocks	Biological and Ecological	Colaiste Cholmain
Cork	The 8 Minute Hour - An Investigation Into the TABATA Training Programme	Biological and Ecological	Colaiste Cholmain
Cork	Evolution's Gifts	Social and Behavioural Sciences	Colaiste Cholmain
Cork	Champion conkers - the science of winning	Biological and Ecological	Colaiste Muire - Crosshaven
Cork	Rugby: The art of kicking-how to find your sweet spot	Chemical, Physical & Mathematical Sciences	Colaiste Muire - Crosshaven
Cork	Antibiotic resistance :Don't give those bugs any more drugs	Social and Behavioural Sciences	Colaiste Muire - Crosshaven
Cork	Can you prepare for the HPAT exam?	Social and Behavioural Sciences	Colaiste Muire - Crosshaven
Cork	The psychology of getting noticed: where's wally	Social and Behavioural Sciences	Colaiste Muire - Crosshaven
Cork	Do redheads feel more pain	Social and Behavioural Sciences	Colaiste Muire - Crosshaven
Cork	Developing artificial soil in low cost grow bags.	Technology	Colaiste Muire - Crosshaven
Cork	Examination of hydro-electrical generation in Reendonegan lake, Bantry	Chemical, Physical & Mathematical Sciences	Colaiste Pobal Bheantraí
Cork	Golf training grip	Technology	Colaiste Pobal Bheantraí
Cork	Omega-3 Rich Eggs	Biological and Ecological	Colaiste Treasa
Cork	An Investigation into the Cordyline Crisis in Cork During "The Big Freeze"	Biological and Ecological	Douglas Community School
Cork	To study the distribution of lichens in Cork City graveyards	Biological and Ecological	Douglas Community School
Cork	The study of Booklice(psocoptera) and their prevalence in Cork libraries	Biological and Ecological	Douglas Community School
Cork	A Study of the Factors that Affect Surface Tension	Chemical, Physical & Mathematical Sciences	Douglas Community School
Cork	An investigation into the wastage of heat energy by heating appliances and to explore ways of using this wasted energy to power other electronic appliances	Technology	Douglas Community School
Cork	Search for the perfect Foundation	Social and Behavioural Sciences	Gaelcholaiste Mhuire
Cork	A new coaching mechanism for trampolining.	Technology	Glanmire Community College
Cork	A statistical investigation of the influence of plant extracts on invertebrate physiology.	Biological and Ecological	Kinsale Community School
Cork	The impact of changes in urban fuel use on lichen populations - A statistical investigation	Biological and Ecological	Kinsale Community School
Cork	A statistical study of the public's attitude to commercial chemically treated food and whether genetically modified alternatives are preferred.	Biological and Ecological	Kinsale Community School
Cork	An investigation of the impact of the salmon drift netting ban on salmon stocks in Co. Cork	Biological and Ecological	Kinsale Community School
Cork	An investigation into the use of the antimicrobial properties of silver nanoparticles in household cloths.	Chemical, Physical & Mathematical Sciences	Kinsale Community School
Cork	Fingerprints: inherited or not? a statistical study	Chemical, Physical & Mathematical Sciences	Kinsale Community School
Cork	A statistical analysis of Attitudes and Awareness of safety and risks associated with routine alcohol consumption in Ireland	Social and Behavioural Sciences	Kinsale Community School
Cork	Societies attitude and knowledge towards eating disorders in adolescents - A statistical study	Social and Behavioural Sciences	Kinsale Community School
Cork	A statistical analysis of the impact of environmental taxes and peoples attitude to these taxes.	Social and Behavioural Sciences	Kinsale Community School
Cork	Adolescents attitude and knowledge of feminism in modern society	Social and Behavioural Sciences	Kinsale Community School
Cork	A Statistical Study of Irish Peoples attitudes regarding the wearing of high visibility clothing.	Social and Behavioural Sciences	Kinsale Community School
Cork	A statistical analysis of people's attitudes and awareness towards seatbelts and headrests, and the role they play in road safety	Social and Behavioural Sciences	Kinsale Community School
Cork	A statistical analysis on the influence of media on the decisions of young people in Cork today	Social and Behavioural Sciences	Kinsale Community School
Cork	A statistical analysis of public awareness of the implications of dietary choices on future health.	Social and Behavioural Sciences	Kinsale Community School
Cork	A statistical analysis of people attitudes towards disabilities Including those with Down Syndrome, learning disabilities & wheelchair users.	Social and Behavioural Sciences	Kinsale Community School
Cork	To investigate cooling technology to cool down the head while playing hurling.	Technology	Kinsale Community School
Cork	Competitive gaming as a novel approach to improving learning- A statistical study.	Technology	Kinsale Community School
Cork	To investigate the relationship between low body condition score and low milk lactose levels in the late lactation cow.	Biological and Ecological	Loreto Secondary School
Cork	To analyse the age young children become aware of and active in helping the environment and our solution to combat this situation.	Social and Behavioural Sciences	Loreto Secondary School
Cork	Does Government Legislation disable rural social patterns?	Social and Behavioural Sciences	Millstreet Community School
Cork	The impact economic decline has on behavioral patterns.	Social and Behavioural Sciences	Millstreet Community School
Cork	"No Limbs no Limits?"	Social and Behavioural Sciences	Millstreet Community School
Cork	Improving access to roads and services during severe winter months in the Millstreet area-A spatial network analysis approach	Social and Behavioural Sciences	Millstreet Community School

Cork	Wireless Mobile Phone Charger	Technology	Mount Mercy College
Cork	A Feasibility Study on Rainwater Harvesting for Schools	Biological and Ecological	Mount St Michael
Cork	Criminal Motivation	Social and Behavioural Sciences	Mount St Michael
Cork	The Persistence of Memory	Social and Behavioural Sciences	Mount St Michael
Cork	Visual Schedule Application for Adolescents with ASD	Technology	Mount St Michael
Cork	A single pedal replacement for double bass pedals	Technology	Mount St Michael
Cork	Physics of Scrummaging in Rugby	Chemical, Physical & Mathematical Sciences	Presentation College
Cork	What benefit does following through have on a swing in a game such as golf.	Chemical, Physical & Mathematical Sciences	Presentation College
Cork	Creatine and Other Sport Enhancers - A study of the attitude to creatine and other sport enhancers in different sporting categories	Social and Behavioural Sciences	Presentation College
Cork	Engineering an Effective Artificial Intelligence System for the board game Risk	Technology	Presentation College
Cork	Medical applications	Technology	Presentation College
Cork	Cramming	Social and Behavioural Sciences	Presentation Secondary School - Cork
Cork	The best scientific method to remove wine stains from carpets	Chemical, Physical & Mathematical Sciences	Regina Mundi College
Cork	Sleep patterns and how they affect academic performance	Social and Behavioural Sciences	Regina Mundi College
Cork	Boots, blades and injury grades.	Social and Behavioural Sciences	Sacred Heart Secondary School
Cork	Is being able to touch your toes important?	Biological and Ecological	Schull Community College
Cork	A new algorithm to improve the gathering of information on mobile devices	Chemical, Physical & Mathematical Sciences	Scoil Mhuire Gan Smál - Blarney
Cork	The Science of Heels	Chemical, Physical & Mathematical Sciences	St Aloysius College
Cork	Music & Learning: Can your heart rate be a factor?	Social and Behavioural Sciences	St Aloysius School
Cork	Attitudes to Generic vs. Marketed	Social and Behavioural Sciences	St Aloysius School
Cork	Rethinking Waste	Social and Behavioural Sciences	St Fanahan's College
Cork	Use and Abuse-Over-The-Counter-Drugs	Social and Behavioural Sciences	St Mary's Secondary School - Macroom
Cork	'Persuade to Donate' - The key to a charities future!	Social and Behavioural Sciences	St Mary's Secondary School - Macroom
Cork	Effect of vermitea/vermicompost on plant growth	Biological and Ecological	St Peter's Community School
Cork	A quantitative investigation into the distribution of macroscopic and microscopic plastic particles on the beaches of South West Ireland.	Biological and Ecological	St. Angela's College
Cork	Does eye colour and eye shape influence visual impairments such as Myopia, Hyperopia and colour blindness	Biological and Ecological	Youghal Community School
Donegal	Child-Resistant: What Does That Really Mean?	Social and Behavioural Sciences	Cholaiste Cholmcille
Donegal	How to Make a Million-Dollar Movie - Finding a Formula for Film Success	Social and Behavioural Sciences	Cholaiste Cholmcille
Donegal	Tionchar drugaí asmacha ar ráta bualadh croi	Biological and Ecological	Colaiste Ailigh
Donegal	An gaol idir chaitheamh tobac agus an mhóthú faoi boladh a iniúchadh	Biological and Ecological	Colaiste Ailigh
Donegal	An bhfuil an eifeacht ag an uirlis ceoil a sheinnean tú ar a méid do scamhoga?	Biological and Ecological	Colaiste Ailigh
Donegal	An Tionchar antaibheathaigh atá ag chineálacha difriúla mil.	Biological and Ecological	Colaiste Ailigh
Donegal	Staidéar a dhéanamh ar an gaol idir teocht agus an ráta creimeadh d'alúmanaim.	Chemical, Physical & Mathematical Sciences	Colaiste Ailigh
Donegal	Staidéar a dhéanamh ar leibhéil carbhiodráití i gcineálacha difriúla bainne.	Chemical, Physical & Mathematical Sciences	Colaiste Ailigh
Donegal	An feidir linn feabhas a chuir ar cloigead imonaíochta ?	Chemical, Physical & Mathematical Sciences	Colaiste Ailigh
Donegal	the science behind blowing bubbles with gum	Chemical, Physical & Mathematical Sciences	Colaiste Ailigh
Donegal	Chun imscrúdú a dhéanamh ar leibhéil traillithe sna Abhainn na Finne agus na bainc cheannais abhainn.	Biological and Ecological	Gairm Scoil Chú Uladh
Donegal	To investigate whether Irish TV can help improve childrens Irish	Social and Behavioural Sciences	Loreto Community School
Donegal	Eye candy	Social and Behavioural Sciences	Loreto Convent - Letterkenny
Donegal	Happiness is an Inside Job	Social and Behavioural Sciences	Loreto Convent - Letterkenny
Donegal	An Investigation into the effect of hen feed on egg quality.	Biological and Ecological	Magh Ene College
Donegal	An Investigation into the Effect of UV light on Different Coloured Hair	Biological and Ecological	Magh Ene College
Donegal	An Investigation into a Possible Solution to the Decline of European Eels due to Hydroelectric Dams	Biological and Ecological	Magh Ene College
Donegal	To investigate the effects of over the counter medicines on the heart rate of daphnia	Biological and Ecological	Magh Ene College
Donegal	An investigation into the effect of sight and sound on balance	Social and Behavioural Sciences	Magh Ene College
Donegal	The Effect of Music on Driving	Social and Behavioural Sciences	Magh Ene College
Donegal	The Effects of Using Headphones on Hearing:	Social and Behavioural Sciences	Magh Ene College
Donegal	An tionchar atá ag siúlóidí , dreapadóireacht , agus turasóireacht ar Shliabh an Earagail.	Biological and Ecological	Pobalscoil Ghaoth Dobhair
Donegal	Stad Millipede Inmhiolu	Biological and Ecological	Pobalscoil Ghaoth Dobhair
Donegal	Ag fiosru an bhfuil eifeacht mór ag uisce ar an buile galf nuair atá uisce idir an aghaidh an cumann agus an baill galf.	Chemical, Physical & Mathematical Sciences	Pobalscoil Ghaoth Dobhair
Donegal	Fiosru ar an athraionn eagla le aois	Social and Behavioural Sciences	Pobalscoil Ghaoth Dobhair
Donegal	Fiosrúchain i mbaillú uisce fearthainne agus an usáid eifeachtúil den fuinnimh a ghineann se.	Technology	Pobalscoil Ghaoth Dobhair
Donegal	Pediatric Resuscitation: How Reliable Are Existing Weight Estimation Methods In Ireland?	Biological and Ecological	St Eunan's College
Down	Correcting behaviour in the woodlouse.	Biological and Ecological	Abbey Christian Brothers Gs
Down	Willing to 'Brake' the Mould?	Technology	Abbey Christian Brothers Gs
Down	Eternoli - Oil Cap	Technology	Banbridge Academy
Down	Pupil Planner Mobile App	Technology	Bangor Gs

Down	Development of anti-bacterial soap from used cooking oil and anti-bacterial plant extracts	Chemical, Physical & Mathematical Sciences	South Eastern Regional College - Bangor Campus
Down	The opinion and knowledge of stem cell research and application in Northern Ireland	Social and Behavioural Sciences	St Colman's College
Down	Wheelbarrow with self-tipping skip	Technology	St Colman's College
Down	Easy Flow Sensor!	Technology	St Louis GS
Down	Work-Safe!	Technology	St Louis GS
Dublin	To investigate the effectiveness of homemade detergents to manufactured detergents and hence reduce our carbon footprint	Biological and Ecological	Ardgillan Community College
Dublin	To investigate the use of visual aids in improving learning and understanding in school	Social and Behavioural Sciences	Ardgillan Community College
Dublin	Evolution has taken place right under our eyes in the past year and a half.	Biological and Ecological	Balbriggan Community College
Dublin	How you grip a pen dictates your grip on life	Social and Behavioural Sciences	Balbriggan Community College
Dublin	Does gender affect colour preference	Social and Behavioural Sciences	Balbriggan Community College
Dublin	The Ultimate School App	Technology	Belvedere College
Dublin	QR Mobile Phone Top Up	Technology	Belvedere College
Dublin	Betrayal of Irish Soccer	Social and Behavioural Sciences	Blackrock College
Dublin	Investigating the influences on peoples choices when voting.	Social and Behavioural Sciences	Blackrock College
Dublin	Can prebiotics survive stomach conditions and if so do they contribute to increased bacteria growth in the intestines	Biological and Ecological	Castleknock College
Dublin	Do the use of 'scrum caps' help prevent concussions?	Technology	Castleknock College
Dublin	To show whether a student feels activities outside of school effect their own academic success.	Social and Behavioural Sciences	Clonkeen College
Dublin	Fiosrú ar Eifeacht Sneachta ar Speiceas Fuschia Difríul	Biological and Ecological	Colaíste Chilllain
Dublin	Eifeachtaí ar chodladh	Social and Behavioural Sciences	Colaíste Chilllain
Dublin	Dath na gréine	Social and Behavioural Sciences	Colaíste Chilllain
Dublin	Cén dath is feidir madraí a fheiceáil ?	Social and Behavioural Sciences	Colaíste Chilllain
Dublin	Cloch, páipéir, síosúr- Na rudai ina bhíonn tionchar acu ar do rogha	Social and Behavioural Sciences	Colaíste Eoin
Dublin	"GAERLA" Language transfer and interference, a study of bilingual teenagers.	Social and Behavioural Sciences	Colaíste Eoin
Dublin	The development of a low cost variable speed constant PU water pasteuriser – Uisce Paisteartha	Technology	Colaíste Eoin
Dublin	Imscrúdú a dheanamh ar an leibhéal siúcros i dtorthaí úra, atá ar fáil i siopaí Eirinneach, ag úsáid athraonmhéadar.	Biological and Ecological	Colaíste Iosagáin
Dublin	Bréagchuímhni	Social and Behavioural Sciences	Colaíste Iosagáin
Dublin	An bhfuil scanradh ort ? Staidéar a dhéanamh ar an eagla	Social and Behavioural Sciences	Colaíste Iosagáin
Dublin	Association of daily salivary alpha-amylase activity with heart rate variability with a veiw to understand stress levels	Biological and Ecological	Colaíste Phádraig - Lucan
Dublin	The effect sea fern population density has on gametophyte sex determination	Biological and Ecological	Colaíste Phádraig - Lucan
Dublin	Cosmic Bully: a study of the relationship between the Andromeda galaxy and its neighbours	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	pattern formation in a non-homogenous traffic model	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	The Effects of Ocean Temperature on atmospheric aerosol absorption	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	Studying the distribution of eigenvalues in sets of random matrices	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	A mathematical study of Benford's law	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	A study of chirality	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	Untangling the human knot	Chemical, Physical & Mathematical Sciences	Colaíste Phádraig - Lucan
Dublin	A study of swarm and herd behaviour in social media	Social and Behavioural Sciences	Colaíste Phádraig - Lucan
Dublin	Suicide Awareness among 13-21 year olds	Social and Behavioural Sciences	Colaíste Phádraig - Lucan
Dublin	Shop local or shop cheap	Social and Behavioural Sciences	Colaíste Phádraig - Lucan
Dublin	A bio-statistical analysis of the incidence of c-sections in Irish maternity hospitals	Social and Behavioural Sciences	Colaíste Phádraig - Lucan
Dublin	Wireless Energy Transfer	Technology	Colaíste Phádraig - Lucan
Dublin	Algal batteries : A biodegradable energy storage system	Technology	Colaíste Phádraig - Lucan
Dublin	The electrochemical effects of sucrose and glucose on the voltage output of a microbial fuel cell using Saccharomyces cerevisiae	Technology	Colaíste Phádraig - Lucan
Dublin	Electro-Bandage	Technology	Colaíste Phádraig - Lucan
Dublin	Wavelengths of open ended shepherds flutes	Chemical, Physical & Mathematical Sciences	De La Salle College
Dublin	SMILE LIKE YOU MEAN IT	Social and Behavioural Sciences	Dominican College - Drumcondra
Dublin	Are Women from Venus and Men from Mars?	Social and Behavioural Sciences	Dominican College - Drumcondra
Dublin	Recession Depression - What is the effect of the recession on the Celtic Cubs of Ireland?	Social and Behavioural Sciences	Dominican College - Drumcondra
Dublin	Drinking and driving - young peoples misconceptions	Social and Behavioural Sciences	Donabate Community College,
Dublin	To determine if placing maths after physical activity in the school day would have beneficial effects on performance	Social and Behavioural Sciences	Donabate Community College,
Dublin	The interactive video game vs. the school project	Social and Behavioural Sciences	Donabate Community College,
Dublin	Wheres you kid	Technology	Donabate Community College,
Dublin	The Clash of the Ash	Technology	Fingal Community College
Dublin	Cáiliúl v Cairdiúl	Social and Behavioural Sciences	Gaelcholáiste Reachtann
Dublin	Deagóirí agus polaitíocht	Social and Behavioural Sciences	Gaelcholáiste Reachtann
Dublin	Lae téics touch (Latex touch)	Technology	Gaelcholáiste Reachtann
Dublin	An analysis of the strategies involved in table tennis using a system that automatically gathers and analyses game data	Chemical, Physical & Mathematical Sciences	Gonzaga College

Dublin	To investigate how font type, colour and size can affect and aid memory	Social and Behavioural Sciences	Gonzaga College
Dublin	How colour can affect your mood	Social and Behavioural Sciences	Gonzaga College
Dublin	Project Maths: Is it worth it?	Social and Behavioural Sciences	Hartstown Community School
Dublin	A Potential Economic Alternative Heating Property In Third World Countries	Biological and Ecological	Holy Child Secondary School
Dublin	Re-investigating the Asch Conformity Experiment.	Social and Behavioural Sciences	Holy Child Secondary School
Dublin	How accessible are the 11 secondary schools in Tallaght for students in wheelchairs?	Social and Behavioural Sciences	Killinarden Community School
Dublin	Essential oils, body and mind?	Social and Behavioural Sciences	Loreto College - Crumlin Road
Dublin	To investigate the effects of msg on brain cell lines and intestinal cells	Biological and Ecological	Loreto College - Foxrock
Dublin	An analysis of iPad usage in our schools	Social and Behavioural Sciences	Loreto College - Foxrock
Dublin	How financially aware are secondary school students?	Social and Behavioural Sciences	Loreto College - Foxrock
Dublin	Desalination of seawater using orange peel	Chemical, Physical & Mathematical Sciences	Loreto College - St Stephens Green
Dublin	Cryptography: a study of the Irish language	Chemical, Physical & Mathematical Sciences	Loreto College - St Stephens Green
Dublin	What do you look for in a friend? A study of how friendship values change over time	Social and Behavioural Sciences	Loreto College - St Stephens Green
Dublin	A Study to distinguish between wet and dry paint.	Chemical, Physical & Mathematical Sciences	Loreto High School
Dublin	transport survey	Social and Behavioural Sciences	Loreto High School
Dublin	Fish oils vs. Cooked Fish, which benefits more?	Biological and Ecological	Loreto Secondary School - Balbriggan
Dublin	A search for genes associated with drought resistance in potatoes	Biological and Ecological	Loreto Secondary School - Balbriggan
Dublin	A bioinformatic investigation into the susceptibility of the Orangutan to human genetic disorders.	Biological and Ecological	Loreto Secondary School - Balbriggan
Dublin	Is there a genetic supertaster component controlling the Irish choice of tea?	Biological and Ecological	Loreto Secondary School - Balbriggan
Dublin	Does augmented feedback result in motor skills learning	Biological and Ecological	Loreto Secondary School - Balbriggan
Dublin	An Investigation Into The Experimenter Demand - Could it influence students in our school?	Social and Behavioural Sciences	Loreto Secondary School - Balbriggan
Dublin	Wind Tunnel	Chemical, Physical & Mathematical Sciences	Lucan Community College
Dublin	Faster rendering of 3D graphics using parallel computing	Technology	Marino College
Dublin	An investigation into the prevalence and prevention of primary lower limb and back injuries	Biological and Ecological	Mount Anville Secondary School
Dublin	The power of suggestion!	Social and Behavioural Sciences	Mount Anville Secondary School
Dublin	An improvement in biodegradable plastic	Chemical, Physical & Mathematical Sciences	Mount Sackville Secondary School
Dublin	Examining the effect of hormone levels on saliva during the menstrual cycle	Biological and Ecological	Newpark Comprehensive School
Dublin	Glowing Chemicals	Chemical, Physical & Mathematical Sciences	Newpark Comprehensive School
Dublin	The power of simple homemade stain removers	Biological and Ecological	Notre Dame Des Missions
Dublin	Centripetal forces while on a rotating ride	Chemical, Physical & Mathematical Sciences	Rathdown School
Dublin	What bubble gum makes the biggest bubble?	Chemical, Physical & Mathematical Sciences	Rathdown School
Dublin	SOUND ASLEEP - Can different types of music effect how well you sleep?	Social and Behavioural Sciences	Rathdown School
Dublin	The Effect of Certain Herbs, Spices and Other Foods on Academic Performance.	Social and Behavioural Sciences	Rathdown School
Dublin	Identification and Use of Mathematical Algorithms Found Among Road Users	Chemical, Physical & Mathematical Sciences	Rockbrook Park School
Dublin	To Investigate the Most Efficient Way Of Building a Persistence of Vision Display	Technology	Rockbrook Park School
Dublin	Bridging the gap between the elderly and technology by means of a purpose built software device.	Technology	Saint Dominic's Secondary School
Dublin	To study the level of participation in religious activities of students in second level education	Social and Behavioural Sciences	Scoil Phobail Chuil Mhin
Dublin	The use of soft multi-biometrics to accurately identify people.	Biological and Ecological	Skerries Community College
Dublin	Predicting shifting sands on Skerries South Beach	Chemical, Physical & Mathematical Sciences	Skerries Community College
Dublin	Ethical Sourcing of Bio-Fuels.	Chemical, Physical & Mathematical Sciences	Skerries Community College
Dublin	The effects of music on athletic performance	Social and Behavioural Sciences	Skerries Community College
Dublin	A General Study of Ambidextrousness and Coordination of Right/Left Handed People.	Biological and Ecological	St Andrew's College
Dublin	Effect of Ultraviolet Irradiation on the Vitamin D2 Content of Mushrooms	Biological and Ecological	St Andrew's College
Dublin	Which shape of ice cube will take the longest time to melt?	Chemical, Physical & Mathematical Sciences	St Andrew's College
Dublin	Smell the Difference!	Biological and Ecological	St Colmcille's Community School
Dublin	Sweet Prediction	Chemical, Physical & Mathematical Sciences	St Colmcille's Community School
Dublin	Narcolepsy - The Sleepy Student	Social and Behavioural Sciences	St Colmcille's Community School
Dublin	Eyewitnesses - Reliable or Not?	Social and Behavioural Sciences	St Colmcille's Community School
Dublin	Do what your told!	Social and Behavioural Sciences	St Colmcille's Community School
Dublin	why doesn't 3D work for me??!	Technology	St Colmcille's Community School
Dublin	Getting rid of dust mites	Biological and Ecological	St Conleth's College
Dublin	Zorin PC - A different kind of computer	Technology	St Conleth's College
Dublin	Crash detector and geographical coordinates sender	Technology	St Joseph's C.B.S.
Dublin	An investigation of the effectiveness of wood chippings having the ability to reduce lameness in cattle standing on out wintering pads and absorb effluent efficiently.	Biological and Ecological	St Joseph's College - Lucan
Dublin	Strike One: Statistical Analysis of Times of Scores in Soccer.	Chemical, Physical & Mathematical Sciences	St Laurence College
Dublin	eBook .vs. textbooks	Social and Behavioural Sciences	St Louis High School
Dublin	Investigation into antioxidants and their effects to prevent the oxidising of an apple	Biological and Ecological	St Mac Dara's Community College

Dublin	A New Source of Energy Storing: Carbon Nanotube Batteries	Technology	St Mac Dara's Community College
Dublin	night vision car windscreen	Technology	St Marys College - C.S.Sp.
Dublin	Possible Anti-microbial properties of different metals: Silver, Copper and Calcium	Chemical, Physical & Mathematical Sciences	St Mary's Secondary School
Dublin	Library Book Trailer	Technology	St Michaels College
Dublin	The Effects of Vocal Versus Instrumental Music on Concentration Levels.	Social and Behavioural Sciences	St Raphaela's Secondary School
Dublin	Correlation of brain size and memory functioning in mammals to validate the use of stem cells in the treatment of alzheimers	Biological and Ecological	St. David's C.B.S.
Dublin	The intrinsic mathematics to scoring a goal in soccer	Chemical, Physical & Mathematical Sciences	St. David's C.B.S.
Dublin	Gender differences in multi-tasking abilities	Social and Behavioural Sciences	St. David's C.B.S.
Dublin	Are You Dreaming?	Social and Behavioural Sciences	St. Killian's German School
Dublin	Using the Bioremediation Abilities and Mycelium Structure of Oyster Mushrooms to Reduce PHC Waste	Biological and Ecological	Sutton Park School
Dublin	The Design and Construction of a Multi-Touch Tabletop Computer	Technology	Sutton Park School
Dublin	Simulation Accuracy In The Gravitational Many-Body Problem	Chemical, Physical & Mathematical Sciences	Synge Street CBS
Dublin	Switch or Stick? The Monty Hall Dilemma Investigated	Chemical, Physical & Mathematical Sciences	Tallaght Community School
Dublin	To promote a positive attitude toward and raise awareness of the symptoms of Alzheimer's Disease	Social and Behavioural Sciences	Tallaght Community School
Dublin	Garden Rainfall: The Value of Private Collection	Biological and Ecological	The High School - Dublin
Dublin	Geothermal Heat Transfer utilising Nanofluids	Chemical, Physical & Mathematical Sciences	The Kings Hospital
Dublin	An Investigation into the feeding behaviour of a domesticated rodent	Biological and Ecological	The Teresian School - Donnybrook
